

Welcome to our Concealed Pistol Course

Congratulations on taking the first step in obtaining your Concealed Pistol License (CPL) from the State of Michigan. Michigan Law requires you to take an approved pistol safety course before you apply. The course you are about to take is an 8 hour course approved by the state of Michigan and taught by USCCA Certified instructors. This course includes 5 hours of classroom time and 3 hours of range time. Classes are held at TTS Fitness located at 4525 N. M-37 HWY Suite L Middleville, MI 49333 and range time is held at one of several private ranges offsite. Pizza and Pop will be provided for lunch.

Class time will be from 8:00am to 5:00pm unless otherwise noted by the instructor

What you should bring

- A Clean and well functioning pistol. If you do not yet have a pistol, one can be rented for the cost of \$35 which includes ammunition.
- Appropriate Eye Protection (Safety Glasses)
- Hearing Protection (Earplugs or Earmuffs)
- Minimum of 50 rounds of factory brass ammunition (No Reloads unless approved by instructor)
- Proper case for your pistol to be used in transporting to and from the range
- Dress appropriately for the weather that day realizing range time is outside year round

Please be familiar with the firearm that you bring to class. If you have questions or are not familiar with the firearm you are using, contact the instructor prior to class for one on one instruction at an additional cost. If you are renting a firearm, the instructor will familiarize you with that firearm prior to shooting on the range.

When you arrive at the classroom the morning of class, please leave all firearms, ammunition, and gear locked properly in your vehicle as there is no live ammunition allowed in the classroom.

As always, if you have any questions at all, please feel free to contact us prior to class. Remember, the only dumb question is the question not asked.
